75 min

Head Lymphatic Drainage ₹3,000

A deeply relaxing therapy designed to stimulate lymph flow, release built-up tension, improve circulation and promote overall scalp wellness naturally. The technique involves gentle rhythmic movements, pressure point stimulation and sculpting massage focused around the scalp, neck and shoulder area to encourage detoxification and relaxation. The process helps reduce puffiness, heaviness and stress while boosting blood circulation and supporting healthier scalp function. Benefits include relief from headaches and tension, reduced fluid retention, improved relaxation, enhanced circulation, a refreshed feeling and an overall sense of rejuvenation and well-being. Regular sessions support stress relief, scalp nourishment and a calmer mind and body.

Brazilian Lymphatic Drainage for Hands

₹2,500

Glow Flow hand lymphatic drainage is a specialized treatment focused on detoxifying, sculpting and revitalizing the hands and arms through precise lymphatic techniques. The session includes gentle rhythmic strokes, upward lifting movements, lymphatic pumping toward the underarms and targeted sculpting using advanced tools to enhance tone and definition. The treatment works on releasing fluid retention, improving lymph circulation and refining arm contours, followed by deep hydration to restore softness and skin health. Benefits include reduced puffiness, improved circulation, smoother and firmer skin, visible sculpting of the hands and arms, relief from heaviness and a lighter, more toned, and refreshed appearance with regular sessions.

Brazilian Lymphatic Drainage for Breast

₹3,000

Glow Flow breast lymphatic drainage is a non-invasive therapy designed to detox, sculpt and rejuvenate the breast area naturally. The technique involves rhythmic hand movements, upward lifting strokes, circular pumping around lymph nodes and sculpting massage directed toward the underarms and collarbone to improve lymph flow. The process also includes a gentle polish to exfoliate and boost circulation, followed by a deeply hydrating mask to nourish and firm the skin. Benefits include reduced heaviness and fluid retention, improved firmness and shape, enhanced circulation, relief from tenderness, smoother skin texture and overall breast wellness. Regular sessions support natural lifting and a more contoured appearance.

Price List

90 min

Glow Flow Stomach Lymphatic Drainage

₹4,500

The Glow Flow stomach lymphatic drainage is a deeply therapeutic treatment designed to detoxify, de-bloat and sculpt the abdominal area. The service begins with a stomach lymphatic drainage massage, followed by stomach cupping therapy. Next, gua sha massage and Brazilian wooden roller massage further enhance lymph flow and break down fluid retention. The skin is then renewed through body polishing and cleansing, preparing it for the stomach sculpting machine to tone and firm. Finally, a relaxing stomach body wrapping nourishes the skin, and a calming shoulder massage completes the experience, leaving you lighter, sculpted and deeply relaxed.

60 min

Brazilian Lymphatic Drainage for Back ₹3,500

Experience the ultimate back detox with Brazilian lymphatic drainage for back. This revitalizing treatment begins with a therapeutic lymphatic massage to stimulate circulation, release trapped toxins and reduce bloating. Using sculpting tools, we contour the back to relieve tension and define natural curves. A gentle exfoliation smooths the skin, removing dead cells and enhancing glow. The session ends with deep nourishment to hydrate the skin, reduce inflammation and promote elasticity. The result? A lighter, sculpted back with improved posture, smoother texture and a renewed sense of wellness. Ideal for those seeking relief, radiance and full-body balance from within.

80 min

Brazilian Lymphatic Drainage for Legs ₹4,000

Experience the ultimate leg transformation with Brazilian lymphatic drainage. This rejuvenating treatment begins with a detoxifying lymphatic drainage massage to stimulate circulation and reduce water retention. Using specialized sculpting tools, we contour and define the legs, targeting stubborn puffiness and improving tone. Gentle exfoliation follows to smooth the skin and enhance product absorption. The final step is deep skin nourishment, delivering essential hydration and nutrients to reduce cellulite and boost elasticity. The result? Visibly slimmer, sculpted legs that feel lighter, smoother and refreshed. A perfect session for those seeking wellness, beauty and a natural glow from within.

Glow Flow Full Body Lymphatic Drainage

₹15,000

Glow Flow full body lymphatic drainage is a holistic therapy designed to detoxify, sculpt and rejuvenate the entire body. The treatment includes face, chest, stomach, back, legs and hand lymphatic drainage using rhythmic massage techniques, upward lifting strokes and targeted lymphatic pumping to stimulate flow and release fluid retention. Sculpting tools are used to enhance contouring and improve muscle tone, while selective polishing in specific areas boosts circulation and smoothens skin texture. The session is completed with full body hydration to deeply nourish the skin. Two skilled therapists work simultaneously to ensure balanced, effective and deeply relaxing full body results. Benefits include reduced bloating and puffiness, improved circulation, visible sculpting, lighter body feel, enhanced skin texture and overall relaxation and wellness.
